

Panels:

Friday - 7:30pm - Room 205 B

Meet The Legions: The Costumes, Creativity, and Charity of Lucasfilm's Preferred Costuming Organizations

A look at the activity of the 501st and Rebel Legion on a local and worldwide scale, and the costumes, charity, and high profile events in which we participate. This panel will also include a look at large-scale prop construction.

Saturday - 12:30pm - Room 205 B

Meet The Legions: The Costumes, Creativity, and Charity of Lucasfilm's Preferred Costuming Organizations

A look at the activity of the 501st and Rebel Legion on a local and worldwide scale, and the costumes, charity, and high profile events in which we participate. This panel will also include a look at large-scale prop construction.

Sunday - 1:00pm - Room 205 C

Ladies of the Legion

Get the perspective of the growing contingent of female costumers in the 501st Legion and the Rebel Legion as they discuss preferred costumes, armor modifications, and reactions from fans who are sometimes surprised to find a woman in the costume.

Booth Game:

Friday and Saturday only (will take place at our booth)

Deliver the Death Star Plans to Princess Leia

Members of the Rebel Alliance need your help to deliver the Death Star plans! We need you to find the Princess, give her the data card, and claim your reward. But beware! The Empire will be on patrol looking for those plans. So if you are stopped by Stormtroopers, just wave your hand and say "move along" to continue on your quest.

Maker Demos:

(available at our booth all weekend)

Friday - 2 - 4pm

Shop Talk with Brian Anderson

This is an open Q&A window for people to ask general questions about costuming.

Friday 4 - 6pm

Weathering and Painting with Sean Carmichael

Learn tips on how to get that smooth finish when painting your armor and then learn how to make it look weathered/battle tested.

Friday - 6 - 8pm

Shop Talk with Brian Anderson

This is an open Q&A window for people to ask general questions about costuming.

Saturday - 10am - 12pm

Vacuforming with Brian Anderson

Learn the principles of vacuforming (heating plastic and using a vacuum to pull air out from a mold).

Sunday 2 - 4pm

Weathering and Painting with Sean Carmichael

Learn tips on how to get that smooth finish when painting your armor and then learn how to make it look weathered/battle tested.

Sunday - 4 - 6pm

Shop Talk with Brian Anderson

This is an open Q&A window for people to ask general questions about costuming.

Photo Ops:

(all weekend at our booth)

Get your picture taken with members of the 501st Legion and Rebel Legion all weekend at any of the photo op areas we have set up in our booth! Climb into the cockpit of the Millennium Falcon, enter the Death Star Trash Compactor (just watch out for that dianoga!), check out Rey's Speeder or any number of characters and droids that will be at our booth.

Raffle Items:

(a different winner will be drawn each day one hour before closing)

We have a variety of gift baskets up for grabs FULL of awesome Star Wars prizes. We also have artwork donated by Herofied and Mandalorian helmets to get your cosplay started! All of the money we raise this weekend will be donated to the National Alliance of Mental Illness in memory of the late Carrie Fisher.
